

PROFILE

Motivated and results-driven Electronics and Communication Engineering graduate with a strong foundation in software development and front-end technologies. Proficient in Python, HTML, CSS and foundational JavaScript and Angular, with hands-on experience gained through internships and academic projects in IoT and Robotics. Known for strong analytical and problem-solving abilities, effective communication, leadership skills. Recognized for adaptability and consistent academic excellence.

EDUCATION

B.E ELECTRONICS AND COMMUNICATION ENGINEERING Arunai Engineering College CGPA: 8.28%	Tiruvannamalai, India 2021 - 2025
HIGHER SECONDARY Bhagavan Hr. Sec. School PERCENTAGE: 89.14%	Tiruvannamalai, India 2020 – 2021
SSLC Bhagavan Hr. Sec. School PERCENTAGE: 84.40%	Tiruvannamalai, India 2018 - 2019

TECHNICAL SKILL SKILLS SUMMARY

Web Technologies: HTML, CSS, JavaScript
Programming Languages: Python
Tools: VS Code
Database: SQL
INTERPERSONAL
Leadership ,Effective Communication, Time Management.
LANGUAGES
English , Tamil

INTERNSHIPS

CLOUTE TECHNOLOGIES PVT LTD Completed 1-month internship in Front-End Development.	Bangalore, India July-Aug 2024
--	-----------------------------------

PAPER PRESENTATIONS

Review on synthetic sight-Exploring the world through bionic eyes | Kongunadu College of Engineering and Technology.
Smart railway gate control system AI and computer vision | SRM TRP Engineering College.

CERTIFICATIONS

Robotics — Arunai Engineering College
Gained hands-on experience in building IoT applications using Node MCU, focusing on sensor integration, data transmission, and real-time monitoring.
Python — EDUPREP APP.

AWARDS

Certificate of an award ceremony at Arunai Engineering College held for E-Quiz and Online Essay Writing Competitions conducted by the Tamil Nadu State Council for Science and Technology as part of World Intellectual Property Day celebrations.	Arunai Engineering College
